

# AIZAT AITALIEVA

## .NET DEVELOPER

### CONTACT

PHONE:  
+996 702 76 77 70

EMAIL:  
[aizat.aitalieva@gmail.com](mailto:aizat.aitalieva@gmail.com)

SKYPE:  
Aizaterk

Github:  
<https://github.com/aizatait/OrderEats>

LOCATION:  
Bishkek, Kyrgyzstan

### OBJECTIVE

To be immersed in environment that promotes high-quality and innovation software. To extend, share and use my knowledge in software development environment.

### LANGUAGES

Kyrgyz – native  
English, Russian, Turkish- fluent

### HOBBIES

Swimming, Sightseeing, Cooking,  
Reading

### REFERENCES

Would be provided upon request.

### TECHNICAL SKILLS

- C# .Net / .Net Core / .Net Framework
- Entity Framework / EF Core
- MsSql / PostgreSQL
- TypeScript/ JavaScript / jQuery/
- HTML/ CSS/ Bootstrap
- Angular / Vue.js
- SOLID principles, Design Patterns
- Visual Studio, VS Code

### WORK EXPERIENCES

#### .Net Developer, Waveaccess

International software development company, work remotely.  
November 2021 – February 2023

- Develop and support APIs, and web applications. Troubleshooting and bug fixes. Participate in code reviews, testing, and debugging of applications.
- Document code. Make small changes on the front end (Angular, Typescript, DevExtreme).
- Work in an Agile environment, collaborating with cross-functional teams to meet project deadlines and deliver high-quality solutions.

#### Web Developer, Freelance (Team work)

- ✓ Website <https://koruq.com> account tracking application.
- ✓ The back-office website for **Maytek company**.
- Design, develop, and maintain REST API using C# and Entity Framework on the .Net Core platform.
- Implement database-driven solutions using PostgreSQL.
- Work with Vue.js to create user-friendly front-end interfaces.
- Collaborate with the project manager and other team members to understand requirements and provide solutions.

#### Software Developer, Prudential First Education

Atasehir, Istanbul — Sep. 2017(part-time) – March 2018– (full-time)  
August 2020

Website <https://teacherix.com>

The developer at Teacherix (former PrudentialFirst A.S.) responsibility is to develop any needed and ongoing features for web site and admin

panel. The whole purpose of our software development team is to create an education sector-oriented, robust platform for connectivity of educators, students and schools.

- Develop, and maintain REST API using C# and Entity Framework on the .Net Core platform.
- Work with Angular to create an integrated Back-office website.
- Implement database-driven solutions using SQL Server.
- Database Administration.

**Export Manager**, Delta Yarn (Part-time)  
Ümrание, Istanbul — Aug. 2017 – March 2018

**Manager Logistic**, Teksan  
Kyrgyzstan, Bishkek — May – Aug. 2016

**Project Assistant:** Co-PI, "Software defined channel modeling for sensor telemetry applications", ASELSAN, GYTE, Turkey  
Oct. 2013-May 2015

**Private tutor in Mathematics and English**  
2010–2012

## EDUCATIONS

---

**Gebze Technical University, Gebze, Turkey**  
2012 - 2015  
Major: Communication Engineering – Master Degree

**International Ataturk Alattoo University, Kyrgyzstan**  
2007 - 2012  
Major: Industrial Electronics Engineering – Bachelor Degree
